2018 SUNSHINE KIDS NATIONAL SPOKESKID

Hi, my name is Serena Everest. Just one year ago, I was that girl who just started high school, was exceeding my goals, and loving being the captain of my new high school volleyball team. I was having the ultimate high school experience!

Then, six months into this dream, I found out my life was going to be forever changed. On January 23, at 15 years old, I was diagnosed with Pre B-Cell Acute Lymphoblastic Leukemia.

The days that followed this diagnosis were the darkest days of my life. I was so overwhelmed. I would often wake up fatigued and stressed with constant sharp pains stabbing at my stomach, and the headaches were unbearable. As the days went on, the feeling of loneliness grew. I had been torn out of “real” school for months and had lost touch with my friends and teachers.

This is when the Sunshine Kids Foundation came into my life. My doctor told me about the trip to Waikiki, Hawaii. This was my chance to finally get some freedom and basically escape the “prison” I had been trapped in for months. This trip could not have been planned for a better time because I was enduring so much stress and pain that I could barely keep my head above water. This once in a lifetime invitation was like a lifeboat that was finally able to come and rescue me from the cells of cancer.

Arriving in Hawaii we were greeted by these friendly people who gave us our first flower necklaces and offered to carry our suitcases. As a teenager going through cancer, it is very rough because you are just starting to reach the point in your life where you are ready to break free and spread your wings, but you just can't. This trip (involving surfing, shopping, socializing, kissing dolphins and much more) was a chance for me to spread my wings and get some fresh air. It had been so long since I smiled, and I meant it when I was smiling on this trip. It was truly a life-changing experience.

My Hawaii trip allowed me to meet kids who actually felt exactly how I did and had the maturity I had. These kids were so down-to-earth and so compassionate towards each other that I just felt so happy around them. I want to say thank you Sunshine Kids Foundation for bringing the sun into one of the hardest times of my life.
