SPACE ODDITY
David Bowie Tribute Band

Experience David Bowie's miraculous transformation from space-aged rock idol, to polished mainstream media star... and the timeless classics that forever changed the face of pop culture, with David Brighton's salute to the most electrifying performer of our time.

"David Brighton has the voice, moves and look to actually step in for David Bowie if he were unavailable and few would ever know. Experiencing Space Oddity made for a truly remarkable evening..." says Harry Maslin, the Producer of David Bowie's YOUNG AMERICANS and STATION TO STATION Albums.
